

Trusted Development Partner - Certificate of Trust

SHA

Life&Standards®DotCom

AIP BUSINESS

OFFICIAL CERTIFICATE OF TRUST

This Certificate confirms that

[TRUSTED DEVELOPMENT PARTNER ORGANISATION NAME]

has been formally recognised by

Asante Intellectual Property (AIP)
Global Commercial Rights Holder for Life&Standards®DotCom

as a:

'TRUSTED DEVELOPMENT PARTNER'

within the private Life&Standards®DotCom ecosystem.

This recognition confirms that the above organisation has:

- completed the applicable approval and certification process;
- has signed and published its Life And Standards® Covenant & Policy
- entered into an official Licence & Certification Agreement with AIP;
- been granted recognised Life&Standards®DotCom Trust Status;
- and has been authorised to participate within the Life&Standards®DotCom ecosystem as a Trusted Development Partner.

Life&Standards®DotCom is a private trust-based ecosystem built around:

- Trust Status
- Trust Capital
- Promise
- Covenant
- human responsibility
- organizational responsibility
- its four foundation standards of Decorum, Empathy, Etiquette, Integrity
- and the non-negotiable Cornerstone Promise.

Trusted Development Partner status represents recognised participation within a human-centred ecosystem created for the realities of the modern digital age.

CORNERSTONE PROMISE

Life&Standards®DotCom and its Trusted Development Partners promise to reject, and will never knowingly or deliberately participate in, endorse, encourage, facilitate, profit from, normalise, or ignore any form of harm of children and young people whether online, digitally, electronically, through social media environments, artificial intelligence environments, technological environments, or within the physical real world.

The Cornerstone Promise exists as a non-negotiable principle of human responsibility and forms a central foundation of recognised participation and Trust Status within the Life&Standards®DotCom ecosystem.

CERTIFIED AUTHORITY & RESPONSIBILITY

This certification confirms that the above organisation has been granted certified authority within the private Life&Standards®DotCom ecosystem to represent its Life&Standards®DotCom Trust Status as a Trusted Development Partner.

This certified status reflects formal approval by Life&Standards®DotCom and confirms participation within an ecosystem built upon Trust Status, Trust Capital, Promise, Covenant, Policy, human responsibility, organizational responsibility, and the four Foundation Standards of Decorum, Empathy, Etiquette, and Integrity.
